SIGN UP — AND HOW THE TEAMS WORK

TAKE A MILE · FEBRUARY 20, 2027 · LA ENSENADA, HONDURAS

HOW TO SIGN UP

1. **REGISTER.** Fill the form at caribbeancleanup.org/volunteers: your name, an email or WhatsApp number, and your home base. A team registers under its TEAM NAME — the name is required.
2. **CAPTAINS REGISTER THE TEAM.** One form carries the team. Every member then completes their own short registration, and the desk works with the captain directly from there.
3. **REQUEST YOUR MILE.** Pick your block on the map — or write "place me where I am needed" and the desk places you.
4. **WATCH THE MAP.** Your request shows on the map at once. When your block is filled, your team is installed on the map, where everyone can see which groups stand where.
5. **CONFIRM YOUR PLACE.** The desk emails Part B: sign the event waiver, give an emergency contact, and add one line about anything we should know to place you well. The confirmation email from the desk is your confirmed place.

HOW THE TEAMS WORK

— **17 MILES. 17 BLOCKS.** One team holds a block, and the blocks run side by side in one continuous 17-mile line.

— **NO SIZE LIMIT.** There is no cap on a team. The larger the team, the better — this way we can complete our cleanup faster.

— **MORE THAN ONE MILE.** A big team may take more than one block. The weigh-ins from every one of your blocks roll up into your team's one total.

— **THE COMPETITION.** Every team's catch is weighed at the weigh stations, block by block. The team with the greatest weighed total wins.

— **EVERY TEAM IS HONORED.** Every team receives a big championship banner for standing on the line. The winning team also receives the Golden Rake — one of the cleanup's own rakes, painted gold and engraved with the team's name and its weighed kilograms.

— **THE RECORD IS PERMANENT.** The winner is announced at the celebration, in front of the whole group — and every team's effort is published on the website, where it stays forever.

YOUR PRIVACY, IN ONE LINE

The map shows blocks and counts — never names. A name is published only if its owner says so.

Cannot come? Stand in the $1 Army: 1dollararmy.org. THE DOLLAR IS A DOLLAR. Joining costs exactly $1 a month. At checkout, our platform Zeffy offers an optional tip for themselves — set it to zero if you wish: we receive your full dollar either way, and Zeffy takes nothing from it.
